

Your Drive To Flora-Quest 2016

It's time to make your list and check it twice for the Flora-Quest Wetland Workshop. Please remember to come prepared for the weather as it can be cooler on the shores of Lake Erie. Don't forget your camera battery charger, bug spray, and extra layers of warm clothing. Be sure to pack your optics!

Our event is different this year as we will not be having a big buffet breakfast. It will be what the hotels offer, so you might want to pack a small cooler for your car with goodies along with bottled water. The Flora-Quest Wetland Workshop is Friday, September 30th and if you want a full weekend experience, be sure to register for the OOS Birding Conference on Saturday & Sunday. www.ohiobirds.org

We will be car-pooling to the sites, not climbing in and out of vans, which will save our backs & knees!

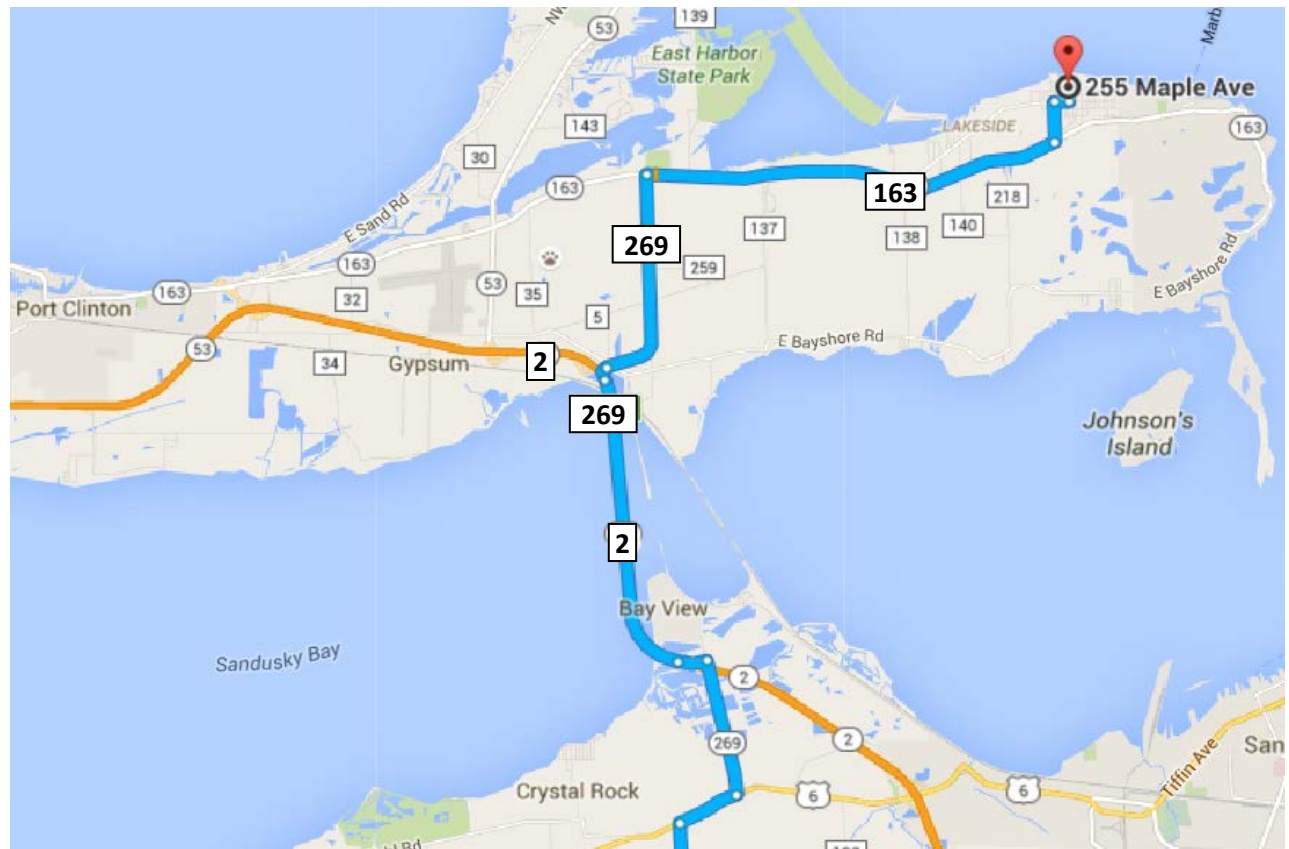

Be sure to find out ahead of time if there is any road work being done along the route you plan to take. For current Traffic Alerts try the new Ohio web site: <http://www.ohgo.com/>

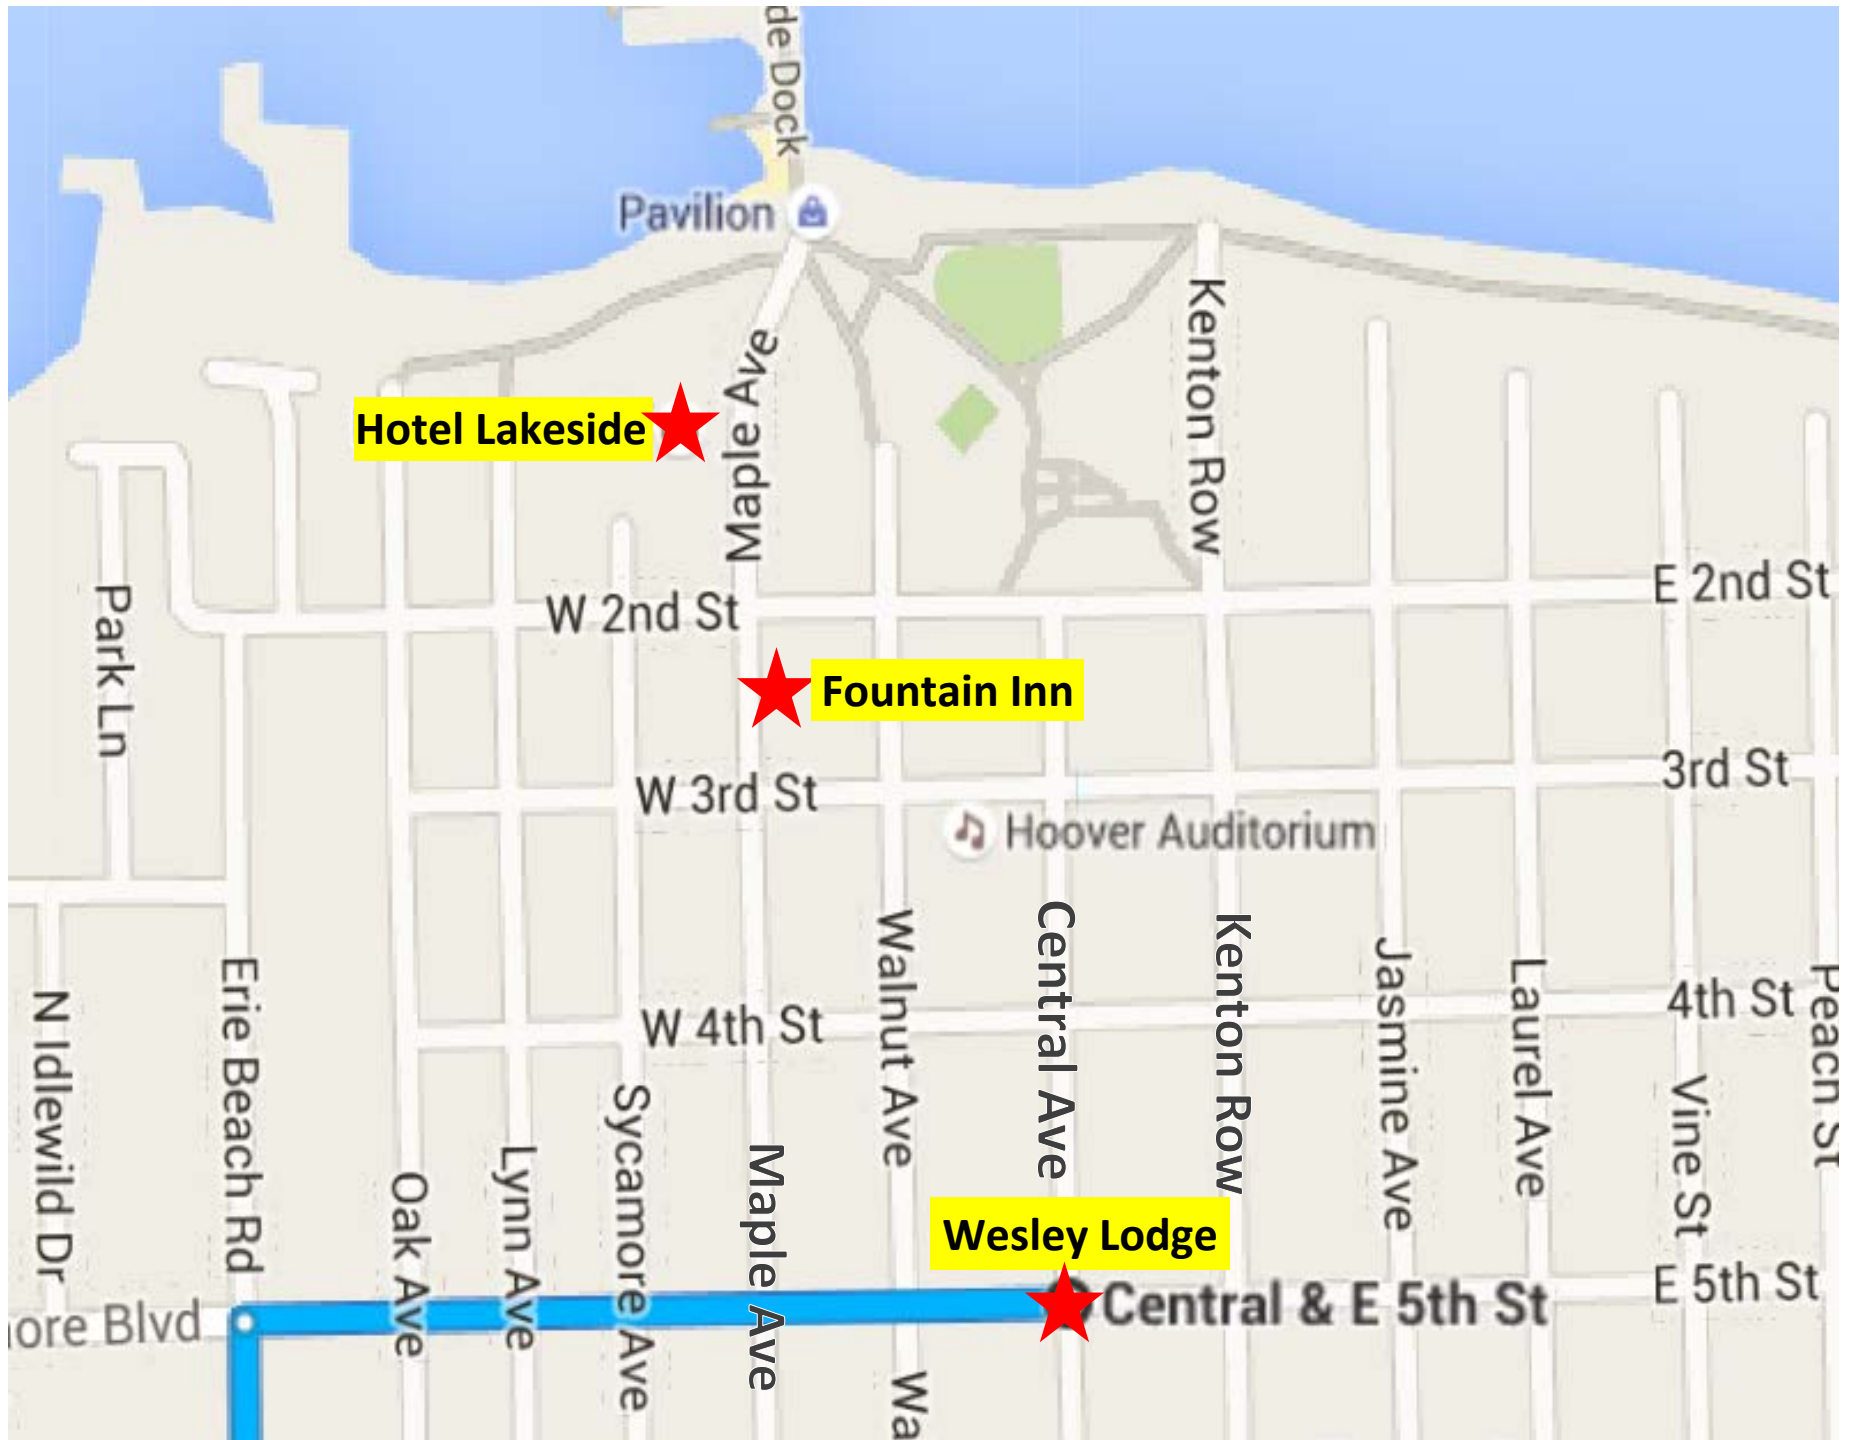

Here are some addresses for your GPS:
